

## **Abraham Lanor**

Abraham Lanor has considerable international experience in building successful project management teams. He was a Project Economist of a Jimmy Carter Philanthropic organisation in West Africa, Sasakawa Africa Associates - Global 2000. He has also consulted to a number of international organisations including the Novotel Hotel Chain and the World Trade Centre both in Rotterdam, the Netherlands. Abraham established the first AMSCO Regional Office in Africa and successfully demonstrated the value of AMSCO's operations in Southern Africa.
